Responses to Requests For Additional Cross-Ownership Study Data

Dear Ms. Dortch:

Attached please find MMTC's responses to the Commission's request for additional data regarding our cross-ownership study performed by BIA/Kelsey. The request asks MMTC to provide a list of each survey respondent, along with information on its call sign, station size, location, and ownership status. As we promised complete confidentiality to survey respondents, we are unable to provide this information. However, attached please find responses to the remaining requests.¹ We will provide a list of the stations we solicited to complete the study pursuant to a protective order, as this list contains information that could expose these stations to competitive harm if revealed.

Please contact me should you have any questions or concerns regarding this letter.

Sincerely,

David Honig
President
